Marjorie Miles retires as Chairman, having completed the two years in office as allowed in the constitution, and Valerie Winborn and Clive Hicks have indicated that they are not standing for re-election. The other members of the Committee are willing to stand for re-election. Nominations for any office or committee member should be submitted in writing with the consent of the nominee, to the Secretary at 1 Winscombe Crescent, not later than Monday 16th October.

The London Borough of Ealing's Jubilee film will be shown, together with the film made for the Brentham Society, and the superb photographs of the Estate will also be on show. Coffee and biscuits will be available.

It is hoped that residents will come along to the meeting as this is the one occasion when you can express your views, meet the Committee and other residents and exchange ideas for future events etc.

## GARDEN COMPETITION

The Brentham Horticultural Society have been looking at gardens on the Estate over the summer and we hope to be able to announce the winner of the best kept garden at the A.G.M.

## BRENTHAM CLUB

The Committee have received a great many complaints concerning the increase in noise from the Brentham Club as a result of an increase in the number of cars using the Club. The Committee understands that the increase in membership has resulted from the closing of the Hangar Hill Country Club and the present car parking facilities are completely inadequate. Your Committee are proposing to write to the Chairman of the Brentham Club advising him of the residents' concern and asking if the Club have any plans for enlarging the car park.

MEMBERSHIP OF THE SOCIETY

At the bottom of this and every Newsletter there is a tear-off slip asking you to renew your membership of the Society. We should be obliged if you would check if you have yet renewed your membership and you will note that on this Newsletter the name and address of the Treasurer has been inserted so that it is easier for you to hand in your money and collect your new membership card.

ALLOTMENTS

Residents will be pleased to know that the London Borough of Ealing have nearly completed the reinstatement of the allotments at the rear of Neville Road and Brunswick Road and we understand that they should be available for handing over to tenants in the very near future. Anybody requiring any further information should contact Mr. Shepherd, the resident Site Manager.

GRANTS FOR ENERGY CONSERVATION

The Local Authority have asked us to draw your attention to the fact that grants are now available for loft, tank and pipe insulation and any information can be obtained from the Town Hall, Ealing, W.5.

ALTERATIONS ON THE ESTATE

We have again been asked to draw residents attention to the Conservation Area and in particular the Article 4 Direction makes it necessary for planning permission to be applied for relating to alterations to hedges, porches, front and rear walls etc. The rule of thumb is that if you wish to carry out any alterations at all to your property, speak to the Town Hall first. If you carry out alterations without consent, the Town Hall may well make you reinstate what you have done at your cost. Any member of the Committee is both willing and able to give guidance if asked.

I should like to become a member/renew my membership of the Brentham Society and enclose 30p membership.
