NEWSLETTER NO. 76

September 1983

Hon. Chairman:
Barbara Murray,

More of a newsflash than a newsletter really, but just to say:

OLD SLIDES OF BRENTHAM

The Hampstead slides, which contain fascinating old views of many parts of this Estate, are ready for showing, and we shall have the show at the Methodist Church Hall, Pitshanger Lane, on Wednesday 21st September at 8.00 p.m.

There is some business to be transacted by the London Borough of Ealing at the start of the meeting, which the Council is administering and about which you will be separately informed. Then we shall get on with as many as possible of the Hampstead slides, and have our customary light refreshments. We hope to see many of you there!

NOTELETS AND STATIONERY available again, with envelopes: notelets 35p for 10, notepaper (small) 40p for 10 sheets, (large) 50p for 10 sheets. Contact Crispian Strachan at 26, Holyoake Walk.
