## THIS STRAWBERRY TEA

Barbara Murray's garden, 2 Winscombe Crescent, will again be the venue for this event, which will take place on SUNDAY, 14TH JULY from 3 p.m. to 5 p.m. We hope to welcome Brentham residents of all ages and new residents in particular. We have been very lucky with the weather in past years but as I write the rain is streaming down the windows - it can't get worse so all we can do is hope and pray for an improvement!

Tickets will be 75p each.

## GOOD BUILDING IN BRENTHAM

It is very pleasing to see a number of instances where incorrect "modifications" to houses have been reinstated again to the original design. Several house owners have put in the correct Brentham timber windows, replacing large pane picture windows and metal frames. New front doors with correct glazing and some very good timber gates have appeared, which if not exactly to the original design are very close and in the same spirit. Re-tiling and re-decorating have been done to the correct specifications.

Some extensions have faithfully followed the Brentham details and successfully merged with original terraces and groups.

This good work goes a long way to maintaining the unity of the Estate. The subtle variations of detail within that unity is its charm and this unity is so easily lost when interrupted by imported features, out of key, scale and colour.

If you are in any doubt about any alterations do ask a committee member for advice. Paul Wharrier of 3 Ludlow Road is particularly interested and knowledgeable. Or contact Brian Rayment, who is the officer in the Planning Department at the Town Hall concerned with the Estate.
