NEWS LETTER No 99

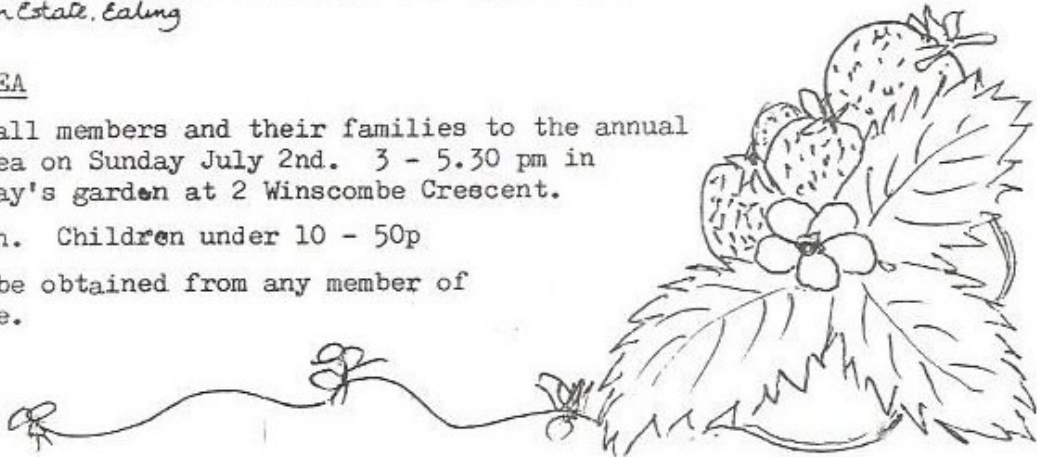

June 1989

## STRAWBERRY TEA

We invite all members and their families to the annual Strawberry Tea on Sunday July 2nd. 3 - 5.30 pm in Barbara Murray's garden at 2 Winscombe Crescent.

£1 per person. Children under 10 - 50p

Tickets may be obtained from any member of the committee.

## SPRING MEETING

The Spring meeting held at the Brentham Club on April 20th provided a forum for residents to discuss with a panel of experts, various subjects which concern the estate.

Brian Fallon introduced the panel consisting of Sir George Young M.P., Councillors Anita Fookes and Anthony Young and Mr Mark Draper from the Borough's Technical Services Department.

Among the subjects brought up for discussion were traffic, roadworks, street and footpath lighting, rubbish collection, paving and the maintenance of Denison/Ludlow green. Since the meeting your committee has received replies and comments from the Town Hall and these will be publicised in due course.

Everyone present felt that the meeting had been a useful event and that such meetings should take place at intervals to give residents a chance to air their views.

## STREET SIGNS

Once again we appeal for a 'handyman' to help us repair and paint our street signs. These attractive cast aluminium signs are falling into disrepair and will be replaced with large enamelled signs by the local authority if we do not maintain them. We have a mandate to do this.

We are able to pay someone a reasonable amount to undertake this work. If you can help please contact Paul Wharrier 998 7264.

## HEDGES

Unfortunately a number of hedges have been attacked by honey fungus. You may have noticed that Tony Oliver who lost his hedge in this way has replanted it with a slightly different shrub - a species of Lonicera - which is resistant to the fungus. Details of where to obtain it can be had from Ken Butcher (997 1054)

## SUBSCRIPTIONS FOR 1989

Many of these are overdue and the Treasurer will be very grateful if you pop them through his door at 26 Holyoake Walk - still only £1 per household.

OUR YOUNG TREES ARE IN DANGER FROM  
THE DROUGHT - PLEASE WATER THEM.

As some original drawings only survive in a blemished or heavily used condition, this will be reproduced on the copies. You are therefore advised to check prior to ordering regarding the condition of any particular drawing. This can be done by 'phone on 01-997 6662 between 9.30 am and 5.30 pm. Costs are as advised by the Brentham Society. David Baker Architects has undertaken to print these drawings at cost and donate the remainder of the charge in its entirety to the Brentham Society, in order to help the Society's work in preserving and enhancing the Garden Estate.

Drawings are printed onto white bond paper and rolled. Orders can be placed by telephone at the above number or calling in at David Baker Architects Ltd 38a Pitshanger Lane during normal office hours. Costs are payable on collection.
