STRAWBERRY TEA

This year's Strawberry Tea on Sunday 27 June, in Barbara Murray's lovely garden at 2 Winscombe Crescent was a rousing success. In warm sunshine about 50 residents enjoyed themselves, chatting and feasting on ripe berries and cream, home-baked cakes (thanks to members of the Committee) and lots of freshly brewed tea.

Derek Buckley and his video team filmed the proceedings during the afternoon. - We can hardly wait to see the results.

Thanks to all those who helped. Special thanks to Barbara for her generous hospitality.

GARDEN SHEDS

In this Conservation Area, Town Planning Permission is only required for a detached garden shed, green house or other outbuilding if it exceeds 10 cubic metres in capacity. This equates to 353 cubic feet, or a building approximately 8 feet long, 6 feet wide and 7 feet high. Any such building is unlikely to receive approval if it is to be sited in the front garden. Any extension to the house such as a porch, conservatory or any other structure which leans towards the house, will require permission. Consent must also be obtained for the demolition of any building.

DYING TREES

Most residents will by now be aware of the sad sight of many trees, especially the smaller ones planted since the great storm, turning brown and losing their leaves.

It appears that the Council is to blame for carelessly permitting the use of unsafe weedkiller in the spring. - Tony Oliver will be writing to the relevant Department of Ealing Council on behalf of the Brentham residents, to express our dismay and to point out that local residents contributed financially to the replanting of trees on this estate, as in the whole of Ealing. We therefore expect the Council to replace any trees that die, and assurance that such a mistake will not be made again.

REMINDER THAT 1993 SUBSCRIPTIONS ARE NOW OVERDUE!

We need more street collectors. Volunteers please contact Heather Moore 998 0234.

It would be a great help if residents paid without further reminding by putting their £1 subscription, in an envelope with their name on, through the door of any committee member.

ADVANCE NOTICE

This year's AGM is planned to take place on Thursday 21 October.

We have invited Dr. Hazel Conway, architectural historian, professional lecturer and author of several books, to talk to us about "The History of Garden Suburbs", putting the Brentham Estate into context of a general historical development at the beginning of the century. - This should make the evening very worth while for all Brentham Society members.

The venue will again be the Brentham Club. Further notice will be given nearer the time.
